

Date: Saturday 30 March and Sunday 31 March 2019

Location: Warbrook House Hotel (The Grange), Eversley, RG27 0PL

Price: £350 - Save £25 with this Early Bird Special price if you book before 30 December 2018, £375 after this

Enjoy a Quilting Weekend with two of the UK's leading quilting tutors. You will have the chance to spend one day with each tutor, working on Triangle and Octagon designs.

Tricky Triangles with Valerie Nesbitt

Triangles are one of the bedrocks of patchwork but all those points can be scary; so allow Valerie to take away that fear; she will show you how to create them quickly, easily and, more importantly, accurately. A great excuse to delve into your stash and create great scrap quilts.

Stripey Octagons with Jennie Rayment

Play with shape and form to create an unusual strip effect. Make one block or four or maybe even more then add border or two. The design appears deviously difficult but with a little partial seaming - it is oh sew easy! Just sew sets of strips, slice into sections and ... it's a fabulous bit of fabric fiddling!

Two days of sewing plus dinner, B&B at a luxurious hotel

Classes will take place from 10 – 4 on Saturday and 10 – 4 on Sunday AND you can sew until late, late, late on Saturday evening if you want. Lunch and refreshments will be served both days including a hot and cold buffet lunch and dinner on Saturday and breakfast and a hot and cold buffet lunch on Sunday. The Warbrook House Hotel will be our home for the weekend. A magnificent Grade I listed mansion set in 130 acres of Grade II listed gardens. We reserved The Grange, a lovely 20th century addition to the main mansion house. It is ideal for sewing retreats and includes our own dedicated parking spaces near the entrance to the Grange, making it easy to transport sewing machines and supplies. The Warbrook House Hotel is conveniently located near the Berkshire-Hampshire border, and close to Heathrow Airport and Central London, which is accessible by train with connections from Reading, Fleet and Farnborough rail stations.
