**JANICE**

How gorgeous is Janice's version of Kaffe Fassett's Starburst quilt that was featured in issue 62's supplement? Janice said: "It has Kaffe backing fabric, which I love so will definitely use that again. Great fun on a dull day."

**JEAN**

We love that so many of you have been enjoying our *Scrappy Quilting* book from issue 64 and we couldn't resist sharing this Elmer-themed quilt sent in by Jean.

**PAM**

"One of my grandsons is *Star Wars* crazy and I saw this and thought, "How difficult can this be?". Big mistake! It took me quite some time to complete but the look on my grandson's face when I gave him it was priceless."

**ROISIN**

"I finally finished the Flower Power runner from issue 57. I left out the leaves and put on a bunny and I am so pleased with the bumble bees; it's the first time I've free-motioned anything."
