

## Colourwheel Arcade Blanket

### STITCH SAMPLER BOOK

Arcade pattern is **No. 34** of the 36 stitch patterns

### BLANKET

I used Sirdar Colourwheel DK 150gr x 3 balls from my stash to make this blanket version but King Cole Curiosity DK or any other DK would work too. **AND** changing colours would work also (Yarns are sometimes **discontinued** by the time I get to my Stash)

It is an easy 4 row pattern once you get going!

**SIZE:** approx 30in square including border

Pattern = (multiple of 6 +1) (+ extra 1 for foundation row)

### Demo

I made small **SAMPLE** - 20 ch

**I worked first 6 rows of the pattern for the sample:**

**1 Foundation Row of dc**

**1 Foundation Pattern row**

**And First 4 Pattern Rows!!**

**Sample complete**

Rows 3-6 are repeated throughout

### BORDER

6 rounds = alternating between dc, htr rows

### TIPS

1. Extra ch ----- just in case counted wrong
2. RS versus WS
