

## JHTV Notes – Granny Stripe Carousel Blanket

Granny Stripe makes a great Nice and Easy blanket for **beginners**. **EASY** when watching TV!!

Size = 40 x 40in but can be wider by adding multiples of 3ch to the foundation ch or longer by working more rows.  
Remember though you will need more yarn if you do this.

Based on **Square No 15** of the 36 stitch patterns in my Stitch Sampler Booklet

King Cole Carousel Chunky, 200g enhances the pattern by forming stripes **OR** use any chunky yarn which will create stripe **OR** choose several different yarns and create your own stripe

**Alternatively make the blanket using** Aran weight with 5mm hook **or** DK with 4mm hook **by adding** multiples of 3ch to starting ch to make chain 40in in length

There are two Foundation Rows - **first** is row of trebles, **second** is row of 3tr groups/clusters. There are two Pattern Rows which are repeated until required length. The difference between pattern rows is start and end of rows

Border is worked as round of DC with 3dc in each corner

**Pattern is available in the Shop as well as the Stitch Sampler Booklet!**
